School Values

As you may know we have 6 school values, which become a focus of our assemblies and learning in school. This week we have had them displayed in our hall for all to see, in addition to the butterfly display in the entrance. This term the value is humility.

Inter-house Cross Country

This week the children participated in an Inter-house Cross Country in year groups. It was a runaway success and we were impressed to see so many children giving their best. We certainly saw the benefits that the daily mile is having upon the children's fitness. Congratulations to Phoenix House for winning the event and collecting 100 house points! The first 3 children in each house have also had certificates to recognise their individual speedy efforts.

Parents Evenings

There will be two parents evenings in Term 4, these will be held on **Thursday 23rd March** and **Tuesday 28th March**. For the first time we will be using an online booking system for the slots. More information about this will follow. Please ensure that if you can't make either of these dates you try to catch the class teacher at another time.

Road safety

Road Safety continues to be an issue of concern – please ensure that you remind children of how to cross roads and use the crossing patrol safely.

Medication

Please ensure that all medication is handed in at the office and not given to children to bring in or teachers at the classroom door. The new term is also a good opportunity for you to check that inhalers are still full and in date.

Car Parking

All drivers MUST be extra careful and vigilant when driving on the premises. Under NO CIRCUMSTANCES can the pavements be parked on and all pedestrian walking zones must be kept clear. Only **disabled badge holders** may park their car on site. Please follow these rules to help protect your children.

Smart rules

As mentioned last week, Tuesday was Safer Internet Day. Throughout the week pupils at CCJ have been learning all about how wonderful the internet is but also how they need to ensure that they keep themselves safe and be positive digital citizens. A part of our learning has included the SMART rules. You may wish to discuss these with your children at home. More information can be found at <http://www.kidsmart.org.uk/beingsmart/>. If you have any questions or concerns about e-safety please see Miss Friend.

Be smart on the internet

S SAFE Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

M MEETING Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

A ACCEPTING Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

R RELIABLE Information you find on the internet may not be true, or someone online may be lying about who they are.

t TELL Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.
You can report online abuse to the police at www.thinkuknow.co.uk
