Reports and Attendance

All the reports should have been given out on Friday and we hope you are pleased with your child's progress and next steps. If you would like to speak with your child's teacher about their comments, then please do pop in. Inside the envelopes, you should also have found the print out of the attendance for this year. 96% is the Government target for every child which allows for some illness and significant events. We want to work with every family to aim for this each year and thank you for your support in enabling every child to access their full time in school – it really does make a difference.

Y6 Production of Oliver

Audiences were blown away by the quality of the Year 6 production of Oliver last week, with standing ovations both nights! The children worked incredibly hard to learn their lines, create costumes and props and work together to create a fantastic production. A massive thank you too to all the Year 6 team who brought it together so skillfully!

NSPCC Visit

We were really pleased to welcome the NSPCC this week for their standard school assembly to raise the profile of the Childline number of 0800 1111. They spoke about how no child should be getting hurt or be worried about getting hurt and how they should speak to a 'trusted adult' such as parents, teachers or a family member. The children, as always, made us very proud by sensibly discussing and engaging with the visitors. Y5 and 6 then had a workshop in their class to discuss it further. The feedback from both children parents has been very positive and we would like to thank the NSPCC for their vital work in schools and for making the time to visit us.

House Cup

This week Griffin won the house cup! Certificates were handed out for demonstrating the school values.

In previous years we have sent all unnamed lost property to the charity shop. In an effort to recycle it into the community we take all UNNAMED and UNCLAIMED lost property and sell it for 50p. If you believe any of it is your child's, then you are welcome to take it.

Thank you Natwest!

Natwest have gifted us £250 towards the Playpod. Thank you to the Doughty family for nominating us!

Attendance

Another great week- it would be superb to have a week before the end of the year with all 10 classes having yellow or green attendance.

Red = Below 92%

Amber = 92-96%

Green = 97+%

Well done to **3/4LP** who achieved the highest attendance last week at 97.8%.

Friends Update

After a very successful year including the recent Summer celebration and the silent auction, the Friends will be changing from September. There is a letter coming out on Monday with more details, but we would like to thank all those who have helped with any event this year for their part in fundraising for the schools.

Bromley Heath Viaduct

There will be a September meeting to discuss how the works may affect CCJ and anything we can do to help. Watch this space.

Messy Church

We are looking for help with catering at Messy Church once a month. We provide a simple hot meal for around 60 people in the parish hall on the 3rd Wednesday of the month. If you're interested in helping out, please contact Emma King on 07824 466512

That Monday Thing, Bible Club

God's love is unchangeable.

John 21: Peter & the disciples had been fishing all night, and caught nothing. Jesus told them to throw their nets over the other side. They caught lots of fish! Peter jumped in the sea and swam to shore! Jesus asked peter if he loved him (3 times), and told him to feed his sheep.

If you want to read more about God's unstoppable love check out Ephesians 3:18 & Romans 8:38
