## Heads Message Term 2

### Library Update Weeks 1 & 2

We are thrilled that almost a year to the date of the library flood that we are already on week 2 of the build.

So far you will have noticed the scaffolding is up and the roof is off! We hope that we can meet the date of completion of mid-December (if the rain holds off!). The Library is such a vital part of our school and the children have been amazing during this year of change.

We are so very grateful for the generosity and provision from the local community, church, local businesses/organisations and the Local Authority who agreed the funding.

## Levelled Reading Books

Just a reminder that our levelled reading books in school are low again, so please can we ask that any that have now been read and enjoyed are returned for others to use.

## Thank you!

Thank you for the parent/carers and the WI who have recently made cheque donations to the school.
