## This Week from CCJ .....

### Class Zooms

It has been so lovely to see all of the lower band classes this week on Zoom and well done for getting on as we had almost everyone join us. It has been so special for the children to all see each other, share their jokes, stories, instruments and books! We will be seeing all of our Upper Band classes next week on either Wednesday or Thursday and I know your teachers are really looking forward to seeing you all and hearing what you have been up to.

Thanks for all the positive feedback about the work packs now coming out on a Friday – it is really good to hear that we are striking the right balance for the majority of our families. As always, do what feels right. It is just as valuable to play a game, get out on a bike or bake a cake! Enjoy the sunshine!

Do your children know how to be smart online? Get them to take this easy and effective quiz and find out just how smart they are!

### "Why Can't I go Outside?"

Mrs Merrifield's daughter, and an ex-pupil of CCJ has written a poem regarding the current situation for parents to read with their children and donate to one of the two charities if they wanted to. Please have a look! It is lovely.

### Year 5 Buddy Messages

Thank you so much to all of the Year 5s who have sent in their lovely comments and pictures that will go in to the Year 2 booklet. The current year 2 children and parents will really enjoy reading your helpful and entertaining ideas. Keep them coming if you have not sent it yet!

### IDEAS TO KEEP YOU BUSY!

Create your own animal! Design your own, or combine parts from your favourites! What will you call it?

Think of a character from a book, write it down and do not show anyone. Then get someone to ask you questions to guess who it is!

### Take a virtual tour of the Great Wall of China.

Describe the most disgusting meal ever! Will it be toenails on toast? Worm spaghetti?

Play alphabet bingo! Can you spot items in your house and garden that start with A,B,C.. and so on?

Make a kindness jar. Everytime someone in your house does or says something kind, write it down and put it in the jar. When the jar is full, get them out and read them! You all deserve a treat!

Tweet the pictures on our Twitter feed @CCJDownend or send us any ideas that you have, we would love to share them with everyone!! Email them to [christchurchjuniors@sgmail.org.uk](mailto:christchurchjuniors@sgmail.org.uk)

## My parents are keyworkers....

Bristol Soup Run Trust is a registered Charity that has been going for over 25 years. 28 teams (all church based except for two) go out one night a month on a 4-week rota. This means that every single night of the year, including Christmas and New Year, our friends on the street can rely on us for soup, hot drinks and food. We also provide clothes, toiletries and sleeping bags. We have no government funding and rely solely on donations and volunteers. We operate from the back of our cars, at two stops and see between 45-140 people a night. Some people have accommodation but come for food, friendship or advice.

*"My Mum is team leader for Soup Run, she has been doing it for about five years, she goes on Mondays for Nevilles team and has her own team on a Thursday. There is normally about ten people on a team but at the moment only two can go out because of spreading or catching Corona.*

*Imagine how scary it is having no house to feel safe in right now. All the shelters and washing places are shut - some of the people told my mum they are washing in the docks. There is about 70 people a night coming now and mum is doing cover for the teams with old people who have to isolate. Me and my brother help make about 80 sandwiches and fill a bag of food for each person with drinks and lots of food. It takes hours each time.*

*My mum asked for people on her Facebook if they could add a pack of chocolate bars or crisps to their shopping as the shops are limiting what she buys, people bought so much our kitchen is full!!*

*Every time my mum looks at it or talks about it she cries because people are so kind and they care about her street friends too"*
