## This Week from CCJ .....

### School re-opening to Year 6

This week, staff have been busy planning and preparing for the return of our Y6 children from June 1<sup>st</sup>. Most of the year group are planning to return and we are very excited to see them all. School does look very different with bare classrooms, one way arrows in the corridors, zones in the playground and certain rooms out of use but all of this is to minimise risk and keep everyone safe.

The staff have planned a host of activities mainly focussed on wellbeing, transition and outdoor learning, so the curriculum will certainly look very different but we know it is what is best for the children to help re-integrate them into school and help prepare them for leaving us very soon. I want to wish you all a lovely half term and for our Muslim families, a very happy Eid! *Mrs Osborne*

### Key Worker Children Y3-5 from June 1<sup>st</sup>

As numbers are rising, it is important that we know to expect your child if they need key worker provision. Therefore, please email [christchurchjuniors@sgmail.org.uk](mailto:christchurchjuniors@sgmail.org.uk) each week when you know the days you need childcare provision for. Thank you.

### One of our CCJ Heroes!

Hi, I'm Theo and I have been inspired by Captain Tom to raise money for the NHS. I am going to run 900 laps of my garden before my 9th birthday in June.

In this time of crisis, The Grand Appeal needs our support more than ever before. With the number of events that have been cancelled and the temporary closure of The Gromit Unleashed shop at The Mall, every penny we donate gives hope to the staff, young patients and families at Bristol Children's Hospital.

To see Theo's progress or to donate please follow this link:

Well done Theo!

## National Book Token Competition

Encourage your children to create a fabulous National Book Token design while they're learning from home, and they could return to school with National Book Tokens for all! Whether it's their school crest doodled in ink, a pencil drawing of the entire class, or something completely different, we'll choose one child's design to put on a National Book Tokens gift card every week for seven weeks. When schools open up again, the young designer and their classmates will each receive a £10 National Book Token – emblazoned with the winning artwork – to inspire them to choose their next favourite book from their local bookshop
