This Week from CCJ

Transition Week and New Class Zooms

Next week is our exciting CCJ Sports week but the week beginning 6th July is our transition week where every new class will have the chance to meet virtually and have 20-30 minutes with their new teachers and staff. The times for the Zoom calls can be found at the end of this newsletter and codes will be sent nearer the time.

We know it is tricky to juggle your own work commitments or multiple children's home learning but if you are able to try and enable your child to join their new class we know that it will go a long way to reassuring children ahead of September and answering questions about who is in their class.

Thank you for your help with this, Mrs Osborne

BUBBLES

A reminder that the bubbles have been fixed up to Friday 3rd July. If you require a space for the weeks starting 6th and 13th July please email the school office with your request.

Christchurchjuniors@sgmail.org.uk

CCJ VIRTUAL SPORTS WEEK

Next week is virtual sports week!

We have planned 10 events that can be safely and easily done at home earning house points for your house to end the house cup for 2019/20. An email has been sent with full details, please contact the office if you have not received it.

Please send your child's name, house and results by Friday 3rd July. Upper Band please send your email to kat.wallbridge@sgmail.org.uk & Lower Band & Year 2 please send your email to kirsten.rendall@sgmail.org.uk

Good luck everyone!

Year 2 Parents Information

If you have not collected your welcome pack please call by the school and collect it ASAP as forms need to be completed and returned to CCJ by WEDNESDAY 1st JULY at the latest.

Forest School

Here at CCJ we are very lucky to have green areas around our school that enable us to have forest school sessions in which children experience learning, exploring, discovering, problem solving and playing in a safe outdoor wooded environment. Forest school helps develop independence, high self-esteem, team work and respect for the environment; it also encourages awareness and a responsibility for the natural world. There is even a chance to have hot chocolate and roast marshmallows during some sessions! It's a good idea to bring in appropriate clothing when it's your lesson like a waterproof coat and wellingtons or some different footwear as it can be a bit muddy sometimes!

News from the SMSAs

We have a lunch club that is held daily in our library area and this is run by Mrs Pollock - you are always welcome to join in.

Our field is very popular in the summer and we try to make the most of this including having your packed lunches out there when the weather permits. If we cannot get out there to play we have a great running track that you can use that runs around the field.

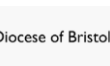

Mr Green, who is our sports coach, is with us at lunch time and organises different games including Hockey, football and Basketball - so if you feel like joining in, you are always welcome.

The lunch team and I (Mrs Sampson) are all very excited to meet you all when you arrive in year 3. Please remember we are here not only to ensure you have great fun but we are also here to help with any questions you have about anything. If you can't remember where you should go or you can't find your lunch box just come and see us and we will help. You will always be able to spot us as we wear burgundy zip hoodie's with our names on the back.

Mrs Sampson

The teachers have been really excited to start receiving postcards from their new classes. If you haven't already, please pop yours in the post so we can create our new displays!

If you have not done so already, please activate your Parentpay account!
