Term 3 Value: Generosity

This week from CCJ....

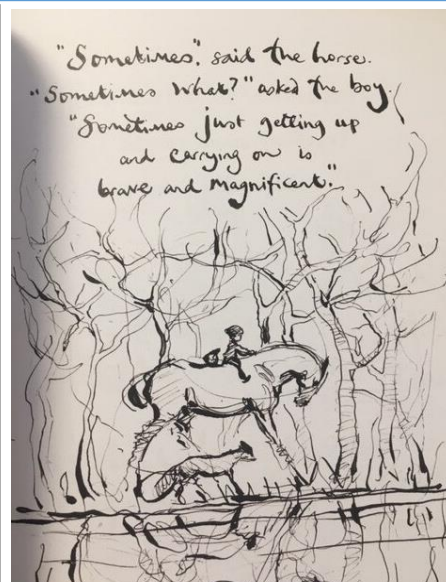

You Made it!

It has been wonderful to hear the overwhelmingly positive feedback from most families during parents evening. Teachers have really appreciated the time to catch up with families, especially where we children have been learning from home. This has been an incredibly challenging term for parents and children, with even the ones in school missing their friends and normal routines.

I just wanted to say a heartfelt thank you to every one of you who have been juggling the remote learning tasks with your own jobs and often multiple children at home. You really have been doing an incredible job and I cannot stress enough how much of a difference it has made to keep the majority of children at home as we have not had a single bubble closure during this whole term. You are amazing.

I will be glued to the announcements as they are made and I sincerely hope that cases continue to fall and we are told that it is safe to welcome all children back to school early in March. Enjoy a break from schooling over half term, we will restart remote learning on Monday 22nd February.

Warm Clothes

If your child is in school, please ensure that they are wearing warm cloths and have a coat in school. The weather is getting colder and despite that, the children are outside for part of the day. Thank you.

A Message from CCI

Wow, just Wow! As a school we have been completely blown away by the amount of applications we had to our school for Reception 2021. Virtual tours and presentations were tricky for us as a school but more so for the families to make such a serious decision about their child's schooling future. We had 169 on time applications, this is South Glos and Bristol City Council combined. (please remember South Glos residents, in the local area, take priority) out of the applications 104 were first place choices! It does look like we have a large sibling cohort, so we look forward to welcoming families back, if they have left us to go to CCJ.

Safer Internet Day

Thank you to all of your fantastic entries to our 'How to spot fake news' competition this week.
