

Shocking chocolate theft at CCJ!

What an exciting week we have had for our moment of joy this week. Mr Debley has created an exciting maths challenge where every day there have been maths problems to solve to narrow down the list of suspects as to who has been stealing the CCJ chocolate from Mr Desmond's office. It has been wonderful to see the excitement for all the children through this activity!

Once again, the staff are working hard to plan an exciting, engaging and inspiring curriculum for term 6 and we can't wait to share it with the children – starting with hatching some eggs into chicks in week 1. We have also been working to create an incredible activity week for our year 6 in July to ensure that they have a brilliant send off as they end their four years in our school – they will be very much missed. I hope you all have a good week with your families and fingers crossed for the sun to return to help us enjoy the week. *Mrs Osborne*

Word Wizards!

Word Wizards! Each week in our classes, we are learning about a word that can be used across a range of different contexts and changed with prefixes (e.g. discover) and suffixes (e.g. covering), to broaden and deepen our understanding of vocabulary. If we see, say, write or hear any words in the word's word family in class; we are a 'word wizard' and earn a house point! Can you look out for this week's words outside of school as well?

This week's words:

Lower Band: investigate

Upper Band: relate

Staggered start times in term 6

We have made the decision to continue to encourage staggered drop off and collection times but we are no longer linking this to your surname. We will all be safest if people spread their drop off and collection times, but we want to support families juggling multiple children etc.

Drop off window: 8.45am-8.55am

Collection window: 3.15-3.25pm

Children walking home unaccompanied will be allowed to leave at 3.15pm. Please continue to support safety by wearing masks, staggering arrival times and leaving site immediately. Thank you

Safety around School

It has been brought to our attention that parking and driving around the school area has once again been causing some issues and concerns. Please be mindful about where you park when dropping off and collecting your children. Do not block driveways, do not park on corners or double yellow lines and do not park opposite the school entrance. All these can have a dangerous effect on other drivers as well as children and their parents/carers.

When driving past the school please drive slowly and carefully. The local police have been informed and will be making adhoc visits to patrol safety. We ask for your cooperation in keeping our families safe.

The role of School Crossing Patrol is still vacant. If you are interested or know of anyone who is interested, please contact South Glos. Road Safety Team on 01454 867802

Crossing Patrol Vacancy Times: 8.30am – 9am

This will go towards purchasing bee friendly flowers and equipment to make bee houses. Well done to the girls who made this happen and well done to the lucky winners!

Breaktime Snacks

We seem to have an increasing number of children coming to the office saying that they are hungry. Please can you ensure that you send your child in with a snack for breaktime. We of course will not refuse a child food if they are hungry, however we will be sending a message home to the parents to make sure that they are aware.

CCJ Finance Governor Vacancy

- Are you able to ask questions, and be confidential?
- Are you available to meet with others like you twice a half term?
- Do you want to help CCJ become an even better school?
- Do you have any finance, H&S or HR experience?

OUR CCJ PUPILS NEED YOU.....

We are especially looking for a new governor for our finance and staffing committee, who can be part of our team. It does not have to be a parent, so if you know someone in the community who may be interested, then please encourage them to get in touch. In return you will gain great satisfaction knowing that you are contributing to the school life, development of the children and helping to make our school be the best it can be. If this is of interest to you, please email our clerk, Frances McMillan on fmcmmillan@hotmail.com or speak to Mrs Osborne for more information.

Sports Day

Tues 8th June – Upper Band
Wed 9th June – Lower Band

Please can children come in wearing their PE kits, with a t-shirt the colour of their house.

Unfortunately, parents/carers are not able to attend due to national Covid guidelines still being in place.
