

## You are amazing!!!

Well done to all the children (and parents!) in Kingfishers, Starlings, Woodpeckers, Kestrels and Robins. We are so proud of the way you've gone back to a week or so of online learning so wonderfully and have achieved so much in the last few days. We are up to 18 cases in our community (including parents/siblings) but very few of these seem to have been through in-school transmission, which is due to everyone isolating so quickly and all the hand washing and distancing in school. We hope and pray that we can reach the end of term without any other classes having to isolate. To minimise this risk, we have decided to move the new class meet to Wed 7<sup>th</sup> July, keep it to just 20 minutes and to be entirely outside. It is a shame to have to minimise this time to meet but we need to ensure we are doing everything possible to risk any more closing of bubbles. *Mrs Osborne*

### NEWSFLASH!!!

Our wonderful school Governors have agreed to contribute £4000 to the Zeta climbing frame fund from the main school budget. This means that we have less than £10,000 left to raise!!

School council are meeting to draw up a list of rules that can be broken for break the rules day. Each rule 'broken' has a fine of 50p going towards fencing for our new sensory garden space.

### Face Coverings

As there is a rise in positive Covid cases locally, we would like to remind you that face coverings **MUST** be worn at all times while on the school site. (unless you are exempt) whilst maintaining a 2m distance between each other. This includes drop off a collection times as well as visiting in the school day.

This is a government, national guideline to help reduce the spread. Thank you for your cooperation.

### Living Eggs Update

## Word Wizards!

Word Wizards! Each week in our classes, we are learning about a word that can be used across a range of different contexts and changed with prefixes (e.g. discover) and suffixes (e.g. covering), to broaden and deepen our understanding of vocabulary. If we see, say, write or hear any words in the word's word family in class; we are a 'word wizard' and earn a house point! Can you look out for this week's words outside of school as well?

**This week's words:**

**Lower Band: freeze**

**Upper Band: change**

The tropical turquoise waves were rolling in and out in an extremely calm method, plying all the visitors at once.

As the beautiful, pearl-like, turquoise gentle waves onto the glimmering, golden sand, coral will remain hiding from humans, hungry predators snoring peacefully above on the reef.

## And finally ...

### Super Star!

One of our wonderful new Y2 children (joining CCJ in September) has seen that we are raising money for the Zeta clamber stack and has decided to raise money for this cause by cutting off his hair!

If you would like to sponsor him then please follow the links on the poster.

**Thanks Oli!!**

### Welcome Y2

We are so sad that we have had to scale down our transition visits for Year 2 children but they will be visiting next week for a brief chance to meet their new teachers and see our school.

We are also doing a welcome to Year 3 Zoom meeting for parents on Wed 7<sup>th</sup> July at 5pm. Details have been sent via CCI.

Oli from CCI Cheetah class is raising money for the juniors school by cutting his hair! Oli will be donating his hair to the Princess Trust (a charity that supply wigs and hair pieces to children) and would like to donate any sponsorship money to the Juniors school for the new play equipment.
