

End of term reports

Teachers held an early parents evening in term 1 to feed back about how your child is settling in their new class and hear your views and questions too. We made the decision that term 1 was too early in the year to give you your child's first report though, so this should be coming home with your child today or Monday. This is a great first opportunity to hear about how they are doing with their learning both in terms of their academic work but also their learning behaviours. The reports should be ideally backing up what you already know and shouldn't be a great surprise or concerning to read. If however, there is anything that you would like to understand more about or discuss with your child's teacher, then please do ask them. Our next parents evenings are due to be in Feb/March time and there will be two more written reports by the end of the year too. Parent feedback is that this system is really good for regular updates, so we hope that you find it use.

Mrs Osborne

Well Done!

Interest Group Day

Interest Group day will be on Friday 3rd December. This time it will be slightly different to normal where the Lower Band will be focusing on their Nativity play and the Upper Band will be concentrating on producing things for the Bazaar.

This week's words:

Leavers Hoodies

To avoid disappointment we were waiting for all children to place an order. This has now gone to the supplier and we should hopefully receive delivery in the next couple of weeks.

Christmas tree

In previous years we have been very lucky to have been donated a Christmas tree. If you know of anyone who would like to donate a real Christmas tree to our school this year, please do get in touch with the school office. We would be very grateful.

Parents Attending Events

At present it is still very much our intention that parents will be able to attend our Christmas events. However should anything change regarding the government guidelines we will communicate to you asap.

Pokémon Cards

We seem to have a number of children bringing Pokémon cards into school, which is then causing issues during break and lunchtimes. Please can you ensure that your child DOES NOT bring these or any other toy from home into school.

Thank you for your cooperation.

Pine Cones

If you are out this weekend and happen to find some pine cones, please can you bring them into school! One of the Upper Band classes need them for an activity! Thank you!
