

Welcome back to term 4!

Year 4 camp is on the horizon and we can't wait to take year 4 next week – fingers crossed that we have some lovely sunshine again instead of this rain! A big plea to all year 4 parents, PLEASE pack with your children so that they see what you have packed for them and also so that they can pack themselves for the return trip. We really have had children wear the same clothes all camp and then be surprised that there is a second side to their suitcase! Please also do not tell children that they can come home if they are homesick. We will of course contact you if we really feel they are struggling, but part of going away for the first time is feeling slightly wobbly on the first evening without you there. If they know you have promised to come and get them, then they ask for this and it is hard for us to encourage them to stay. For years 3,5 and 6, everything will be as normal in school next week but we are taking ten staff to Barton including Mr Debley, Mr Desmond and me. Therefore, please address any questions or concerns to the school office or if you need to speak to a Senior Leader, then please contact Mrs Groves or Miss Thackeray who will be happy to help. We will also be having work completed on our new gates to make them electronic opening like the Infant school's gates. This starts on Tuesday for ten days but one gate minimum will always be accessible, so do not be put off if there are some barriers up at various points. Have a lovely weekend.

Sanitary Products

We would just like to remind you that we hold a stock of sanitary products in the back office. Where appropriate, please speak to your daughters to let them know that if needed they can ask one of the lovely office team and they will discretely be given some of these whenever needed.

CCJ Friends Sponsor Forms

More of our children have been sending in their sponsorship forms with money raised for the £16 challenge. A huge well done to everyone who is participating. We love seeing the different ways that everyone has decided to do to raise the money, so keep emailing them in!

Thank you to....

Tamsin has done 160 cartwheels in under 10 minutes to raise money for the play equipment. She kept going afterwards and did 250 cartwheels in total!! She has raised £30!!

All money raised will go toward the new clamber stack which is being installed at the end of this term, so that the current year 6 can enjoy it! Please help us with the final amount left to raise.

If you would like to share your achievement in our newsletter, please let us know via that school email!
