

Super Year 4

I am so incredibly proud of our year 4 children – they have had a wonderful three days at camp and I could not be happier to see how much they have achieved, enjoyed and challenged themselves. I am also so grateful to all the staff who attended, often leaving their own children – we literally cannot do it without volunteers. I am also so grateful to the staff at school who have covered the 10 of us at camp whilst we have not been in school. I know all the year 4 parents will be delighted to see your children back safely this afternoon – they will certainly need some sleep and washing!!

Thank you for your patience as we have been getting the work completed on our front gates to make them electronic. We are looking forward to this work being completed by the end of next week and then we will see the work start on installing our new clamber stack!!!

I hope you all have a lovely weekend,
Mrs Osborne

Comic Relief

We had an array of superheroes/heroes at CCJ today. Even some of our self-isolating children joined in by dressing up! The children enjoyed themselves by throwing 'Red Noses' at Mrs Osborne! Thank you for all the donations, and fantastic £ was raised for Comic Relief.

Children's University

The clock is ticking! We would like as many children as possible to gain their 30 hours of credits towards their Children's University Degree. The deadline for achieving 30 hours is the end of term 5 and the graduation ceremony will then take place during term 6. We are delighted that some children are already over 30 hours! If you're not there yet, please remember to login to your account and register the stamp codes for the activities you are doing!

This weekend's challenge:

South Gloucestershire Council are asking local schools to put forward items to be included which reflect and remember various elements of what life has been like during COVID (such as online learning, home schooling, bubble groups, mask-wearing, reuniting after lockdowns, testing) and within our personal lives (family time, discovering new hobbies, lockdown birthdays, clapping for the NHS, hearing the birds sing, connecting with neighbours). We would love to receive pictures, stories or poems. We will then send them to the council who may then select them to go into the time capsule at their headquarters! Hand your idea to Mr Desmond by **Wednesday 23rd March** at the latest, who will then give you the stamp code worth 3 hours towards your degree!
